

ONE PUNCH-MAN

STORY by ONE &
ART by YUSUKE MURATA

There,
standing in
turbulent
waves... the
strongest.

159: BLESSING

My name is SAITAMA. I am a hero. My hobby is hero activity. I became strong by training. Therefore, I am very cool. Any enemies will push down with one blow. That was also true. Fighting was also fun. I want the pleasure of defeating a villain. I would like to meet the strongest enemy. I would like to meet a matchless enemy. And I would like to push down with one blow. It is because I am a one punch man.
