

My name is SUTAMA, I am a hero. My hobby is hero activity. I have strong two arms. Therefore, I am very cool. Any enemies will push down with one blow. But was also lost. Feeling was also lost. I want the sympathy of everyone of a hero. I would like to meet the strongest enemy. I would like to meet a matchless enemy. And I would like to push down with one blow. It is because I am a true professional.
