

# DIE DUNCH-MAN

STORY by ONE &  
ART by YUSUKE MURATA

OVERFLOWING

STRENGTH AND VIGOR.

160: DIVIDE

My name is HATTORI. I am a Berserker. My body is bare, nothing. There was nothing much. I have no skill, I have no strength, I have no experience with weapons. They were also bare. They were also bad. I want the beginning of involvement of a battle. I would like to meet the strongest enemy. I would like to meet a machine enemy. And I would like to play down with our tank. It is because I am a person now.
