

ONEPUNCH-MAN

STORY by ONE & ART by YUSUKE MURATA

#158 [2BAD]

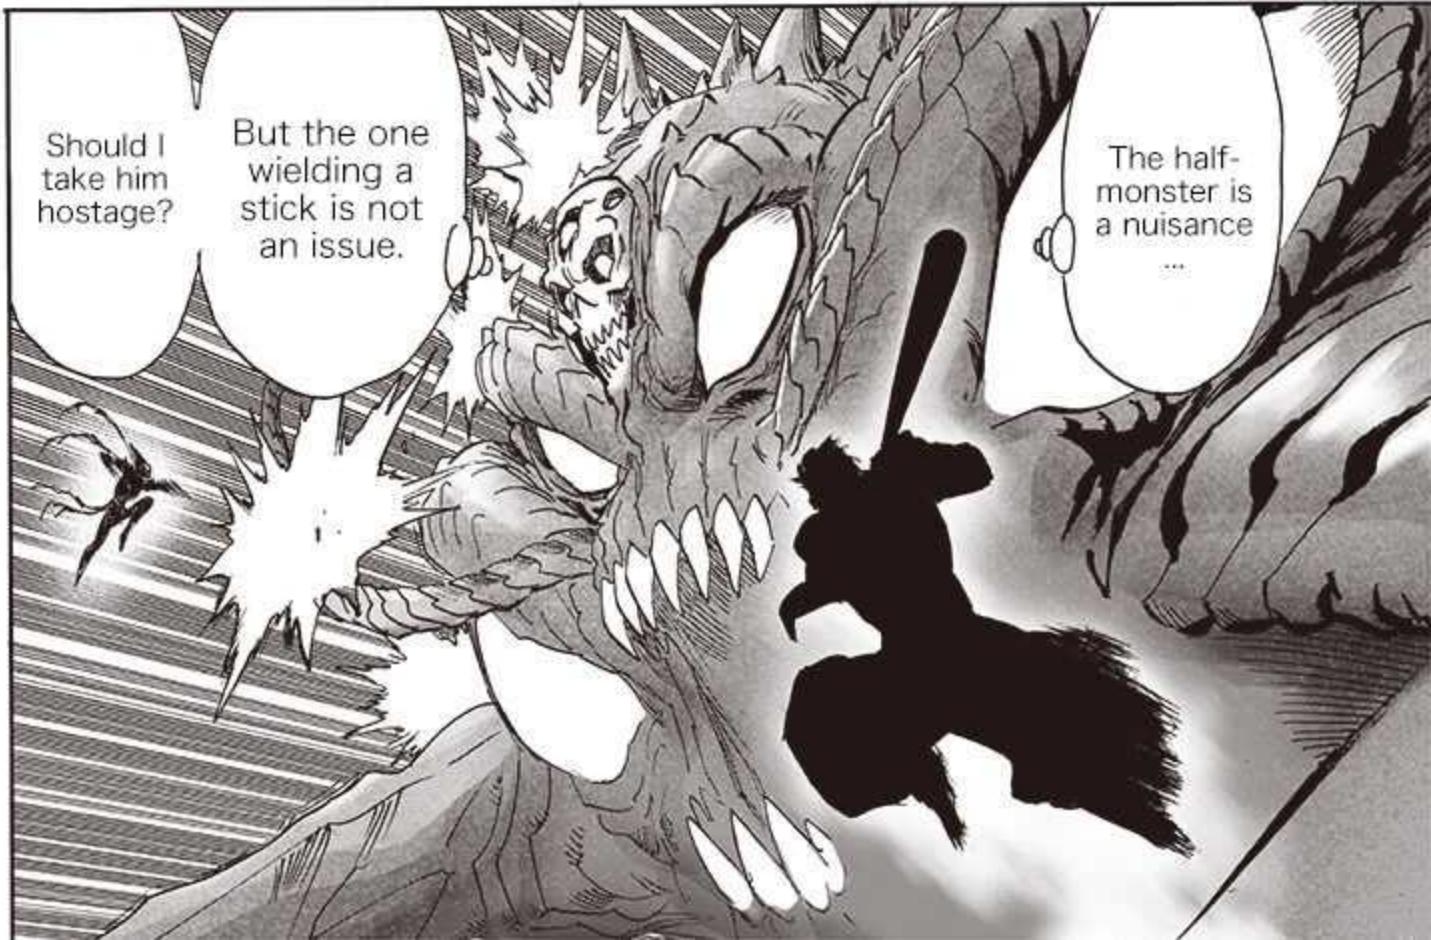

My name is KAITAMA. I am a hero. My body is born without a bone. Therefore, I can move well. Any enemy will push down under my weight. I am the strongest. I am the last hope of the world. I am the legend. I am the legend of the world. The legend of the legend of the legend. I would like to meet a powerful enemy. And I would like to push down with one blow. It is because I am a one punch-man.

A

They
actually
didn't try to
coordinate
anything.

Was due to
the fact that
despite the vast
difference in
their raw power,
the nature of
that power was
extremely
similar.

The reason
their individually
released
techniques just
happened to
form into a
combo attack

Metal Bat's
destructive
power
exhibited
an explosive
increase.

As if
Garou
was
lifting
him up
