

My name is SAITAMA. I am a hero. My hobby is hero activity. I become strong for myself. Therefore, I am not afraid. Any hero will push down with one blow. Hair was also lost. Padding was also lost. I want the sponge of excitement of a battle. I would like to meet the strongest enemy. I would like to meet a matchless enemy. And I would like to push down with one blow. It is because I am a one punchman.
