

ONEPUNCH-MAN

STORY by ONE &
ART by YUSUKE MURATA

FACING OFF, AND THE "MOST POWERFUL",

162: GREATEST HERO

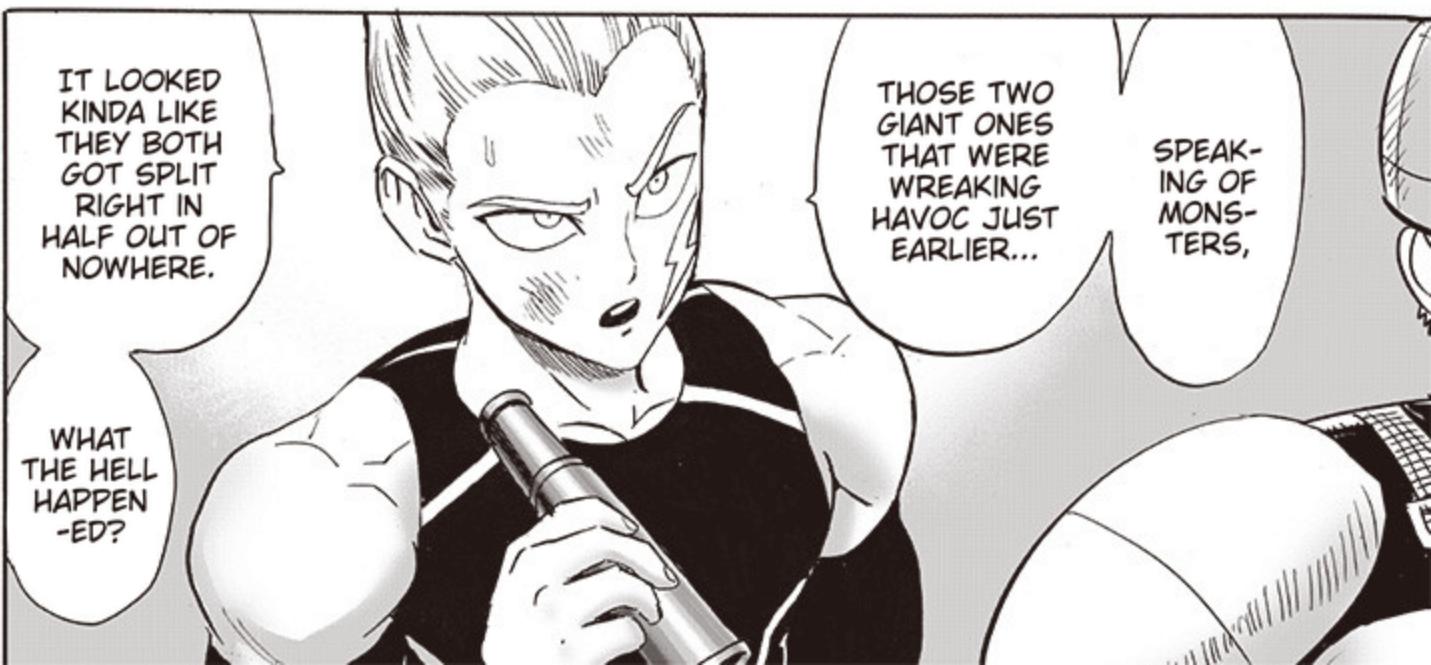

My name is Saitama. I am a hero. My hobby is hero activity. I became strong for health. Therefore, I am very fast. Any enemy will be pushed down with one blow. Hair was also lost. Fingertips were also lost. I want the strength of an animal or a beetle. I would like to be the strongest human. I would like to be a superhuman. And I would like to push down with one blow. It is because I am a one-punch man.

A black and white manga-style illustration of a rugged, rocky landscape. In the foreground, two characters are standing on a rocky slope. One character is wearing a white shirt and dark pants, while the other has white hair and is wearing a dark outfit. They are looking towards a massive, powerful wave crashing onto a rocky shore. The wave is depicted with intense motion lines and spray. In the background, there are more rocks and some distant structures or trees under a cloudy sky.
