THE TIDE! ]

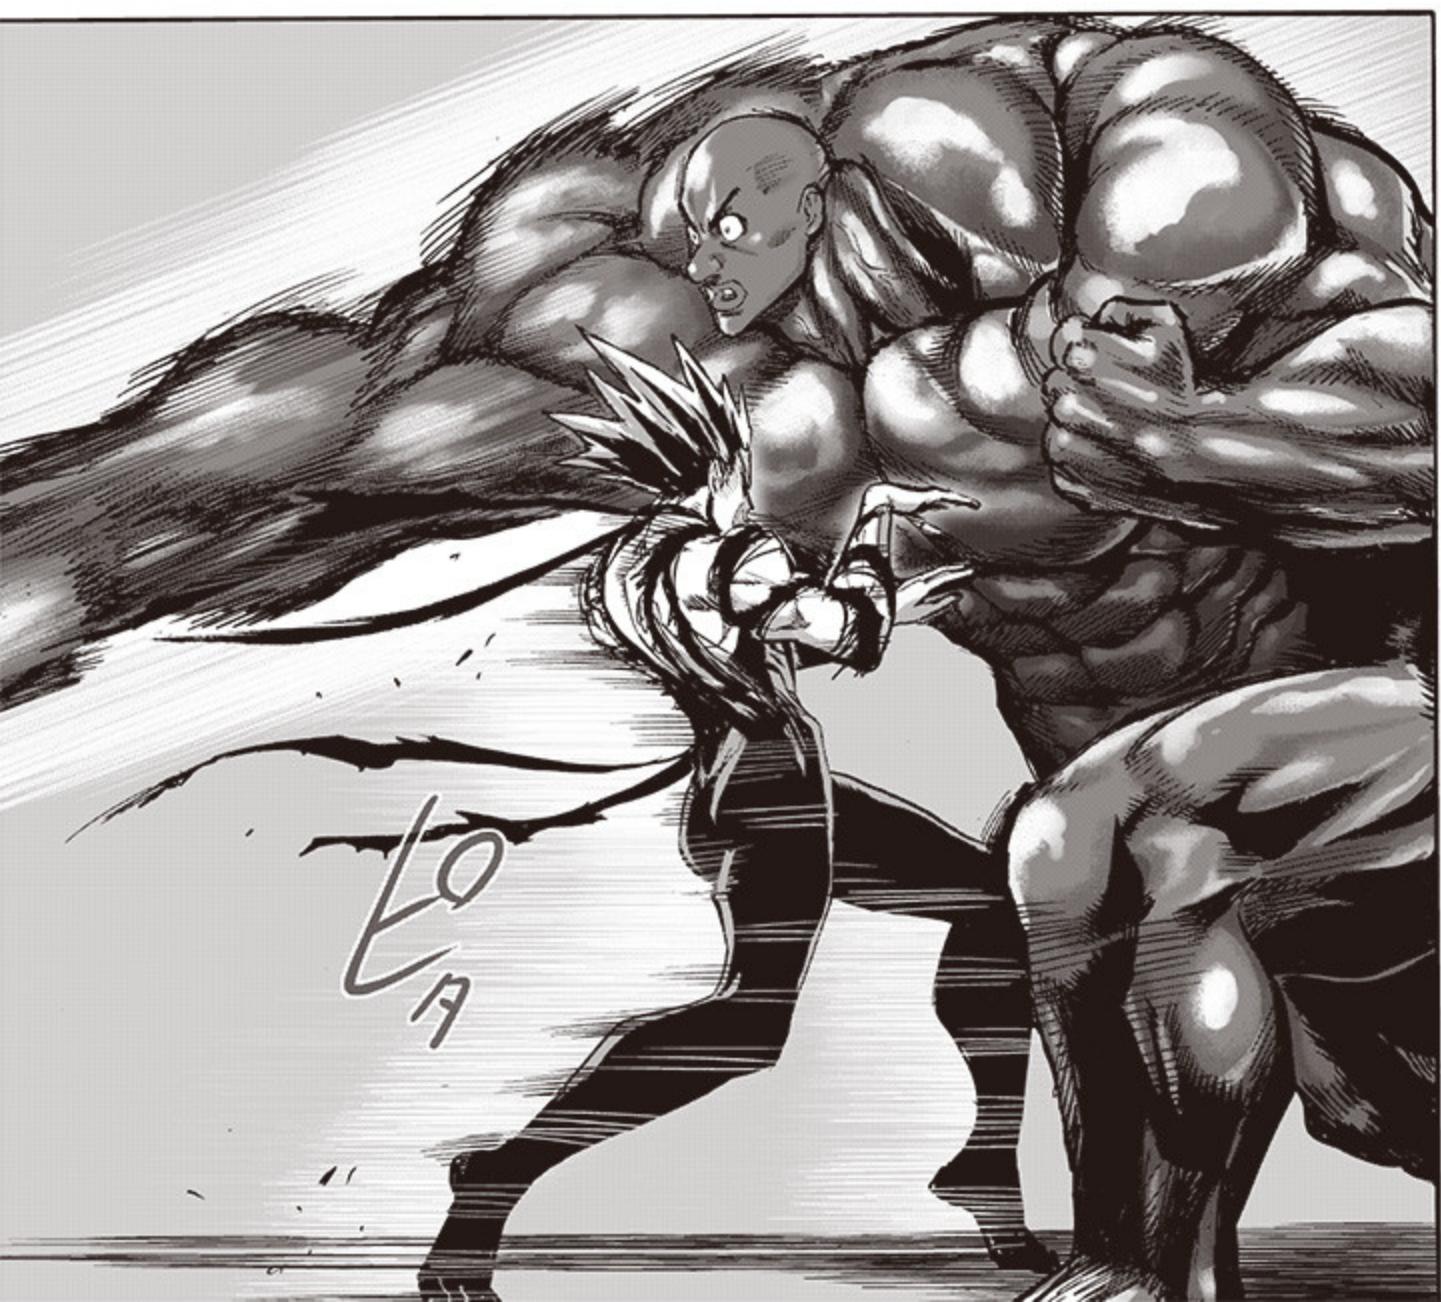

My name is RAIZAHA. I am here. My body is broken now. I have no strength left in me. Therefore, I can run and jump. No one will be able to catch up with me alone. He is also lost. Feeling was also lost. I want the opening of movement of a battle. I would like to meet the strongest enemy. I would like to meet a matchless enemy. And I would like to push down with one blow. It is because I am a new punchman.

He was bad at sports because of his frail body

The Hero Superalloy Darkshine when he was a child

He never developed any self-confidence, and lived his childhood as a wimp.

Whether it was sports or tag, he kept on losing in every game he played.

The weight of the dumbbells gradually increased to 5kg, then 10kg.

From then on, he exercised with them everyday.

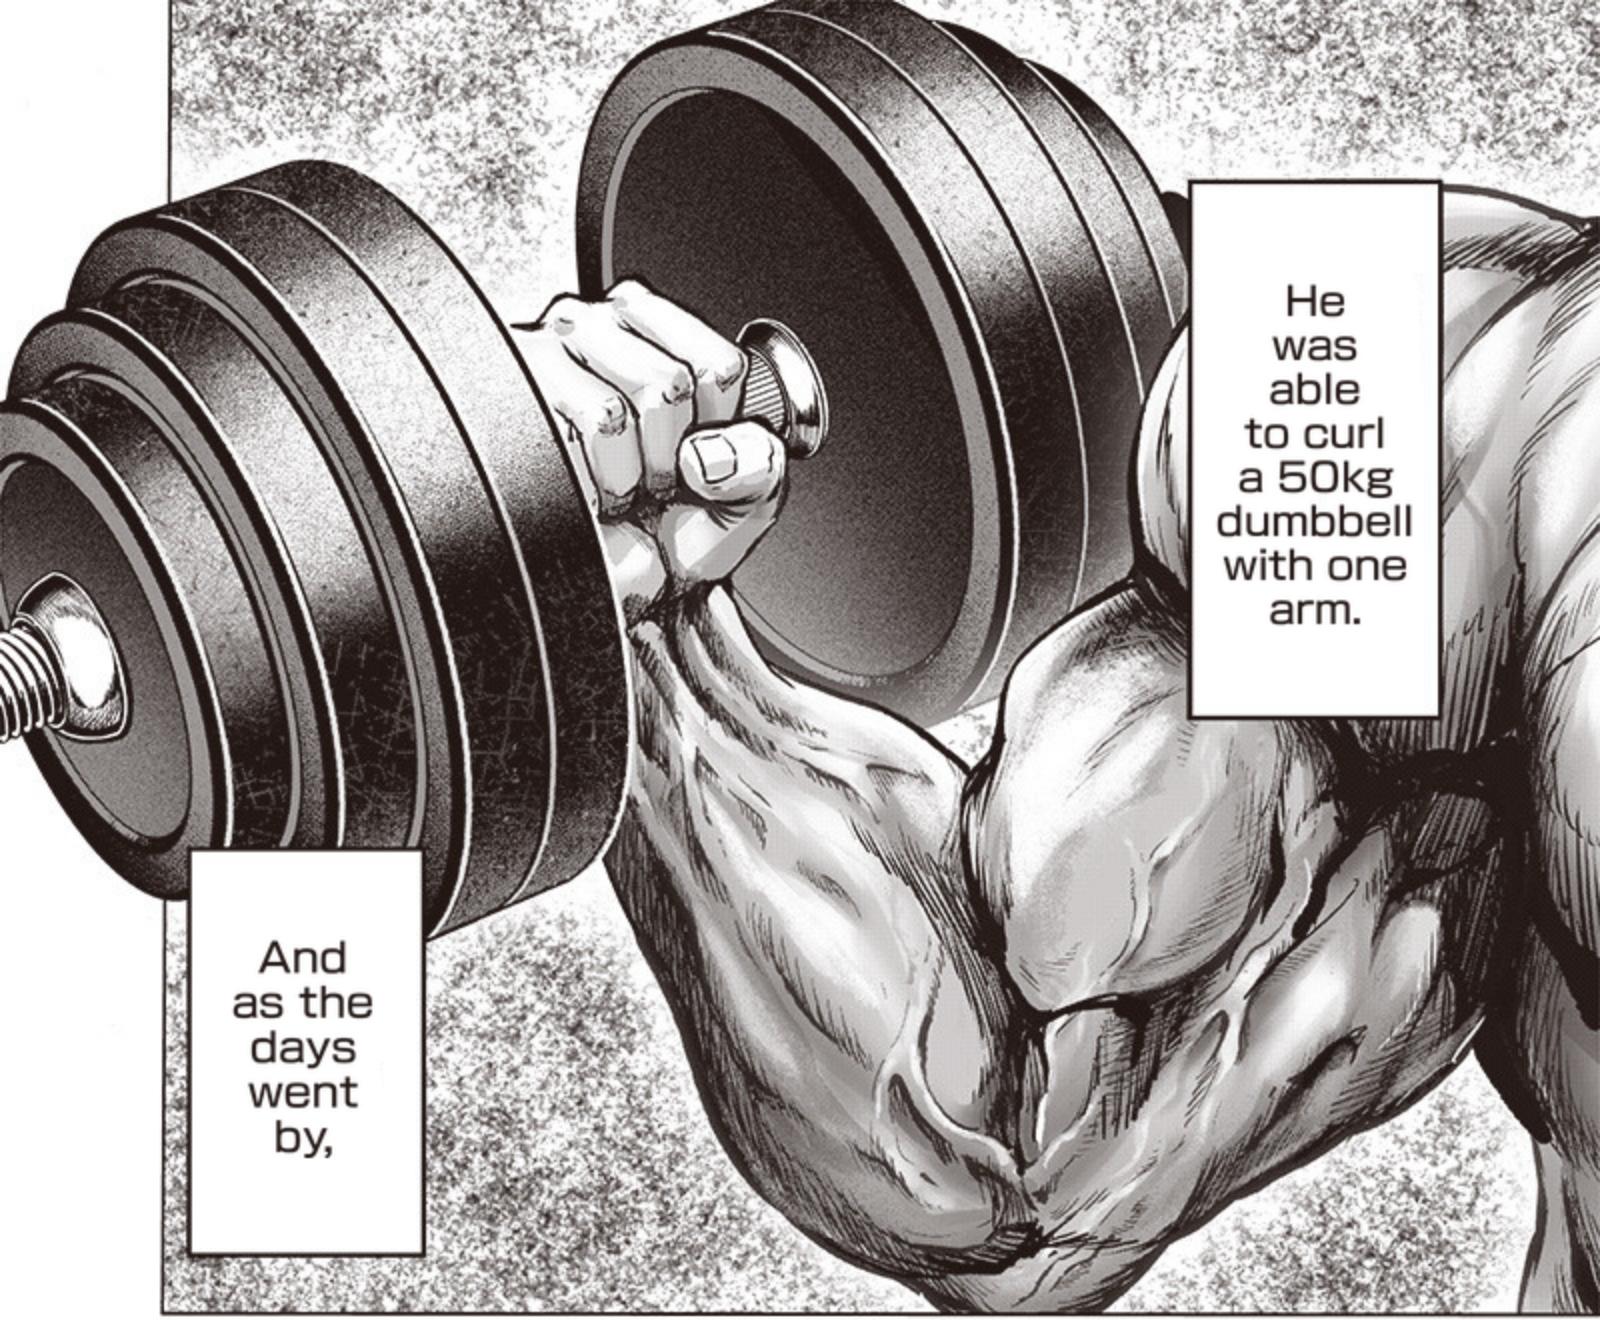

He begged his parents to buy him 3kg dumbbells as a present

On his 15th birth-day

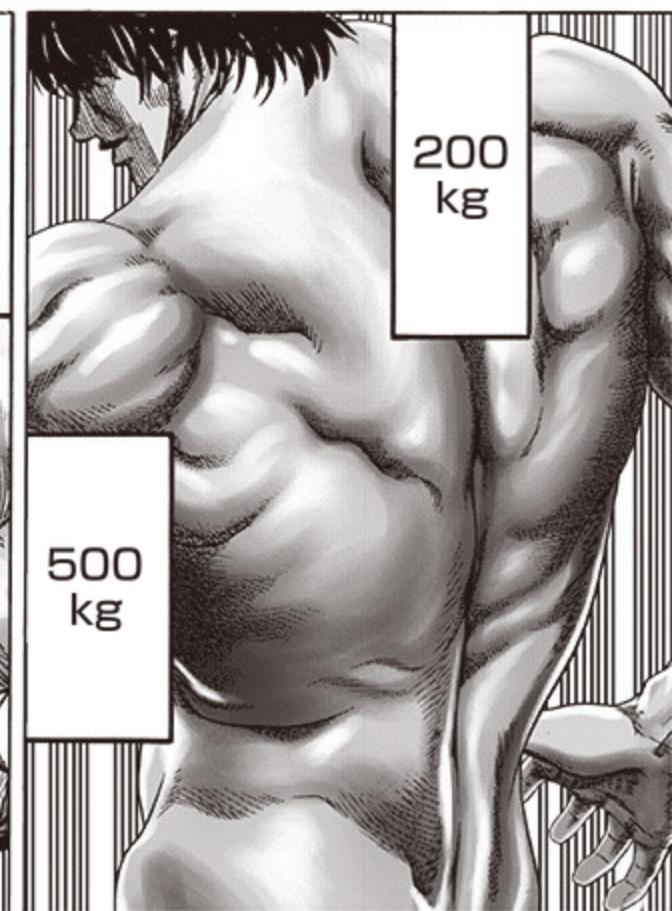

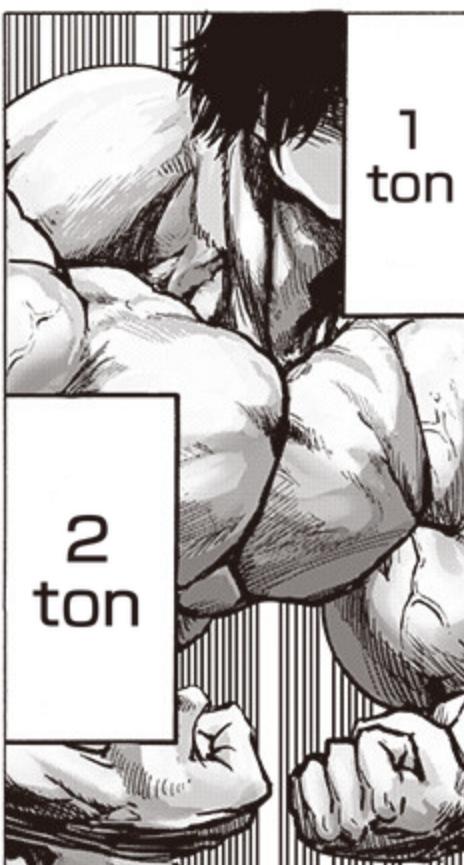

Several years later

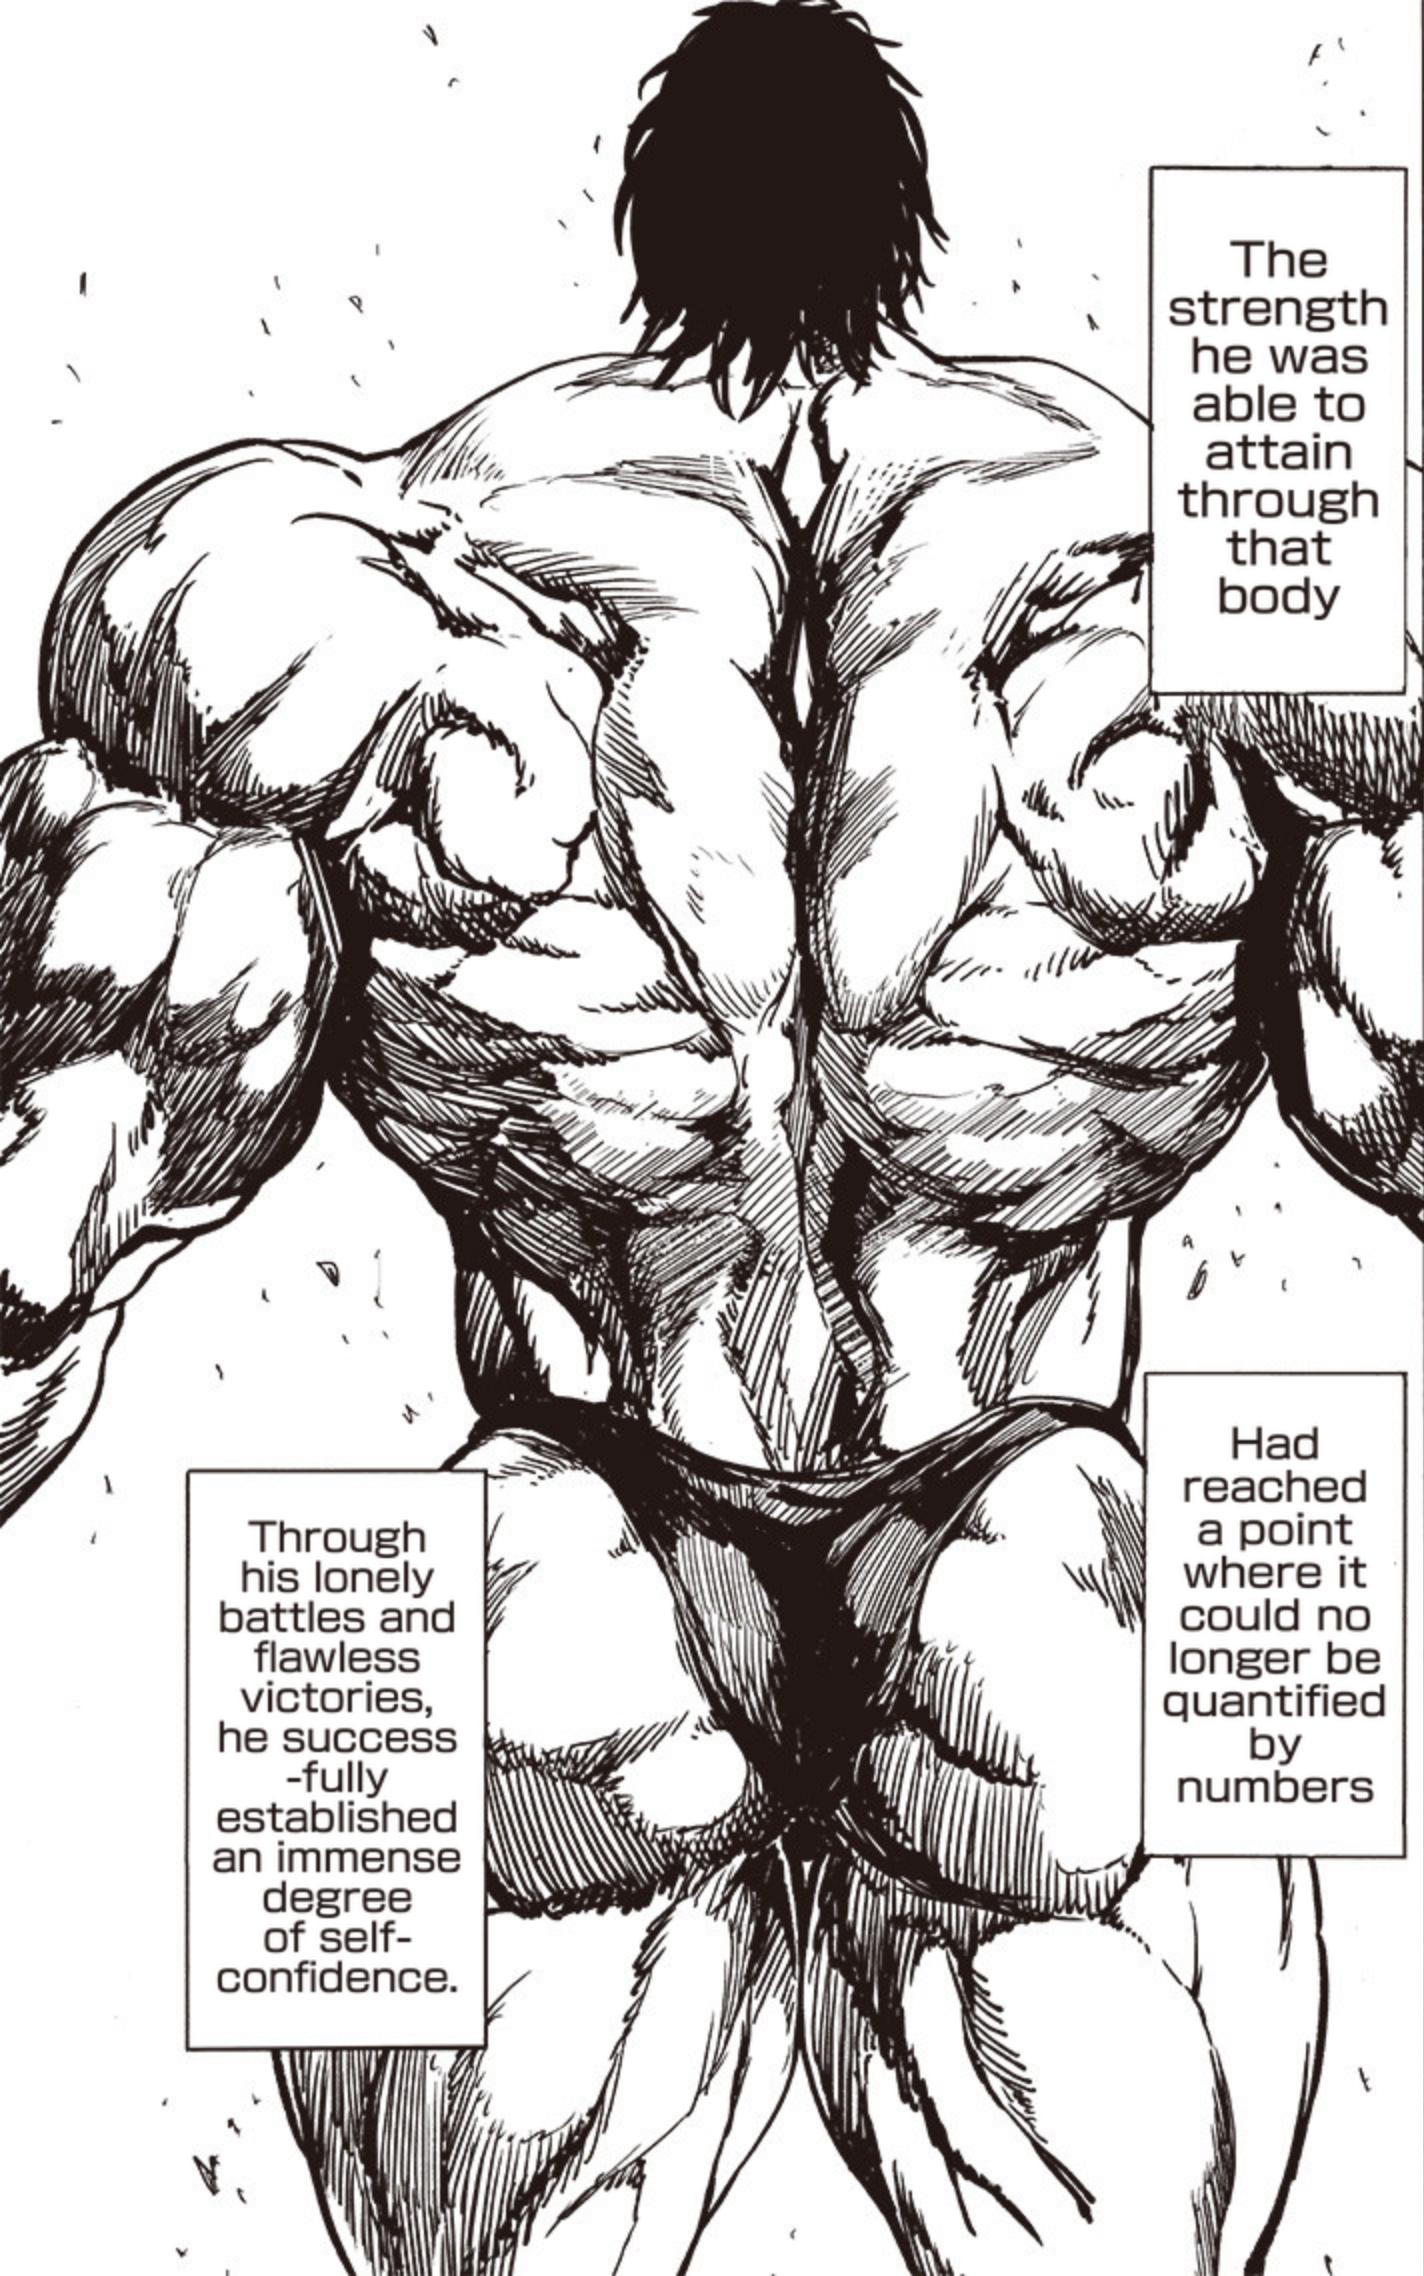

He was able to curl a 50kg dumbbell with one arm.

And as the days went by,

Then after several more years

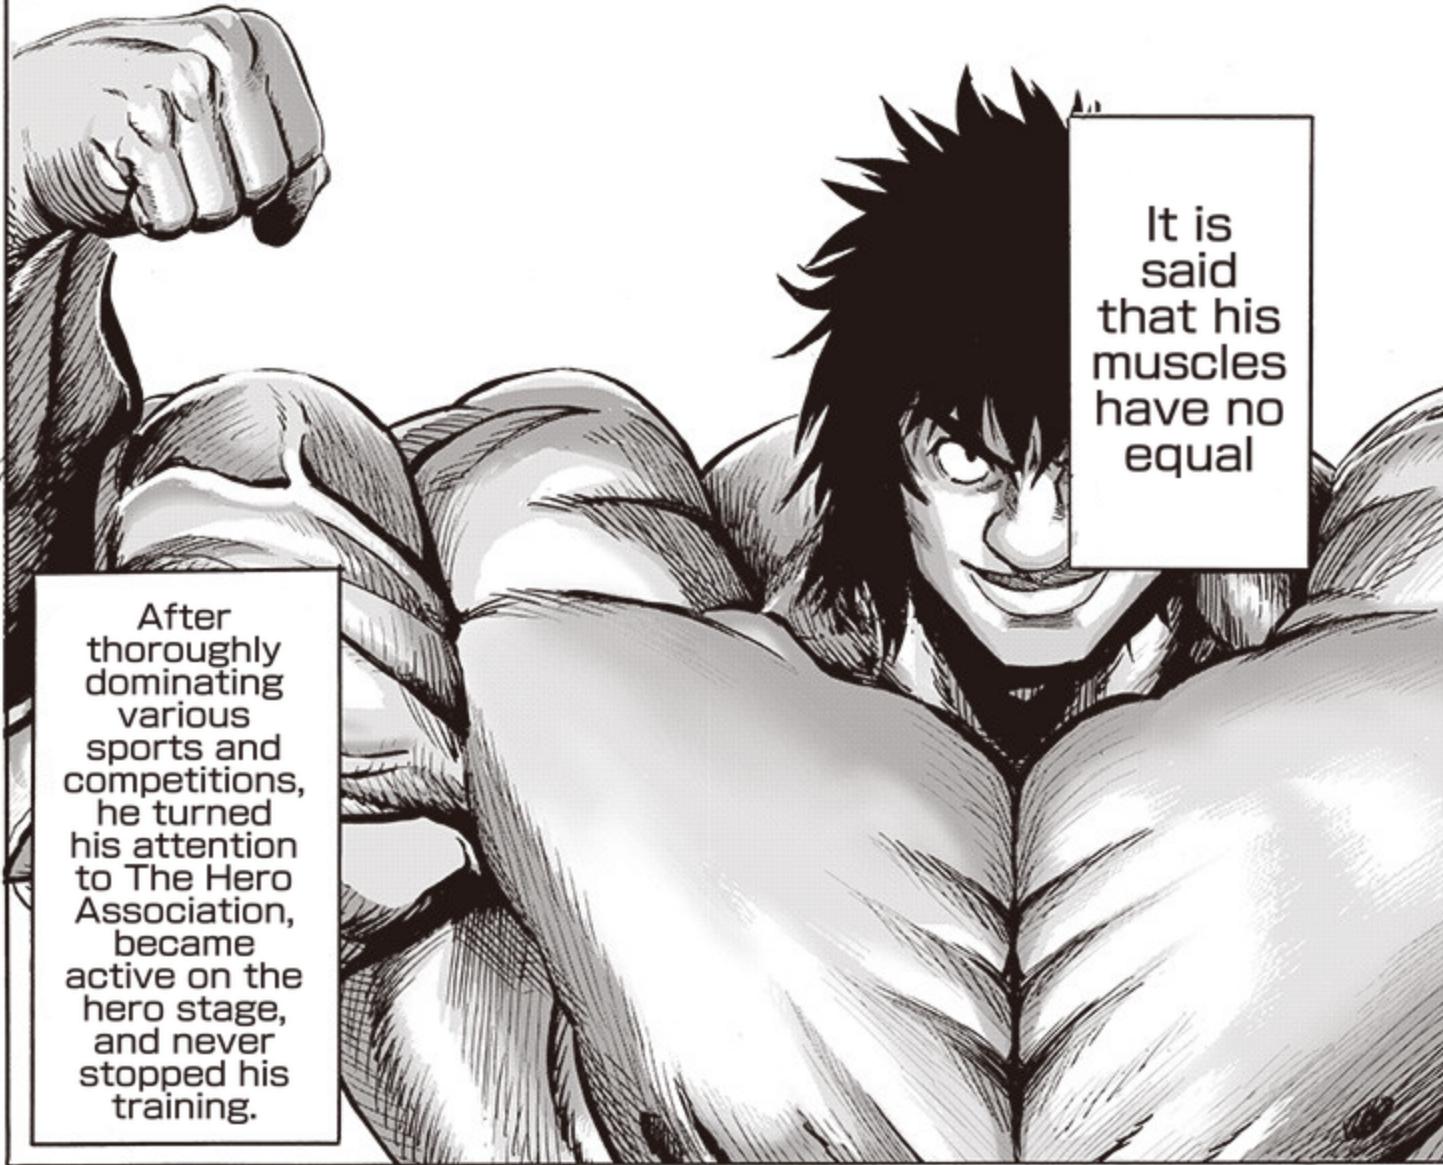

The strength he was able to attain through that body

Through his lonely battles and flawless victories, he successfully established an immense degree of self-confidence.

Had reached a point where it could no longer be quantified by numbers

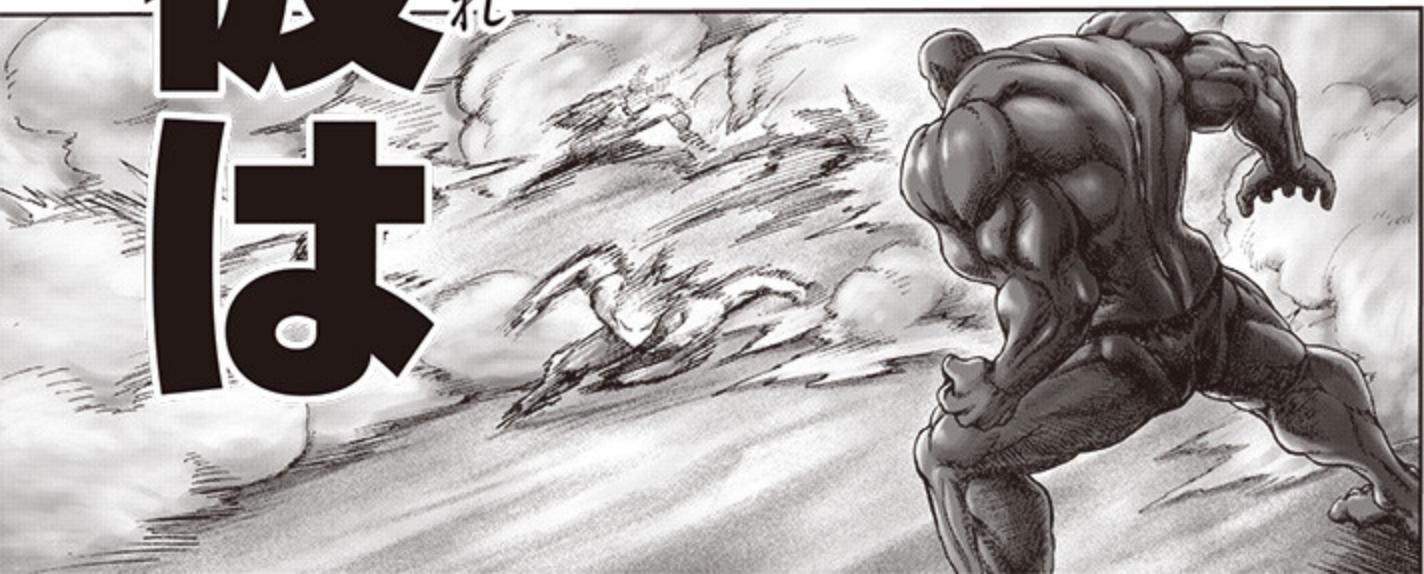

And he has never stopped looking for a great opponent who can push him to 100%

Is he really looking forward to a "fight"?

TEXT: NO, HE IS...

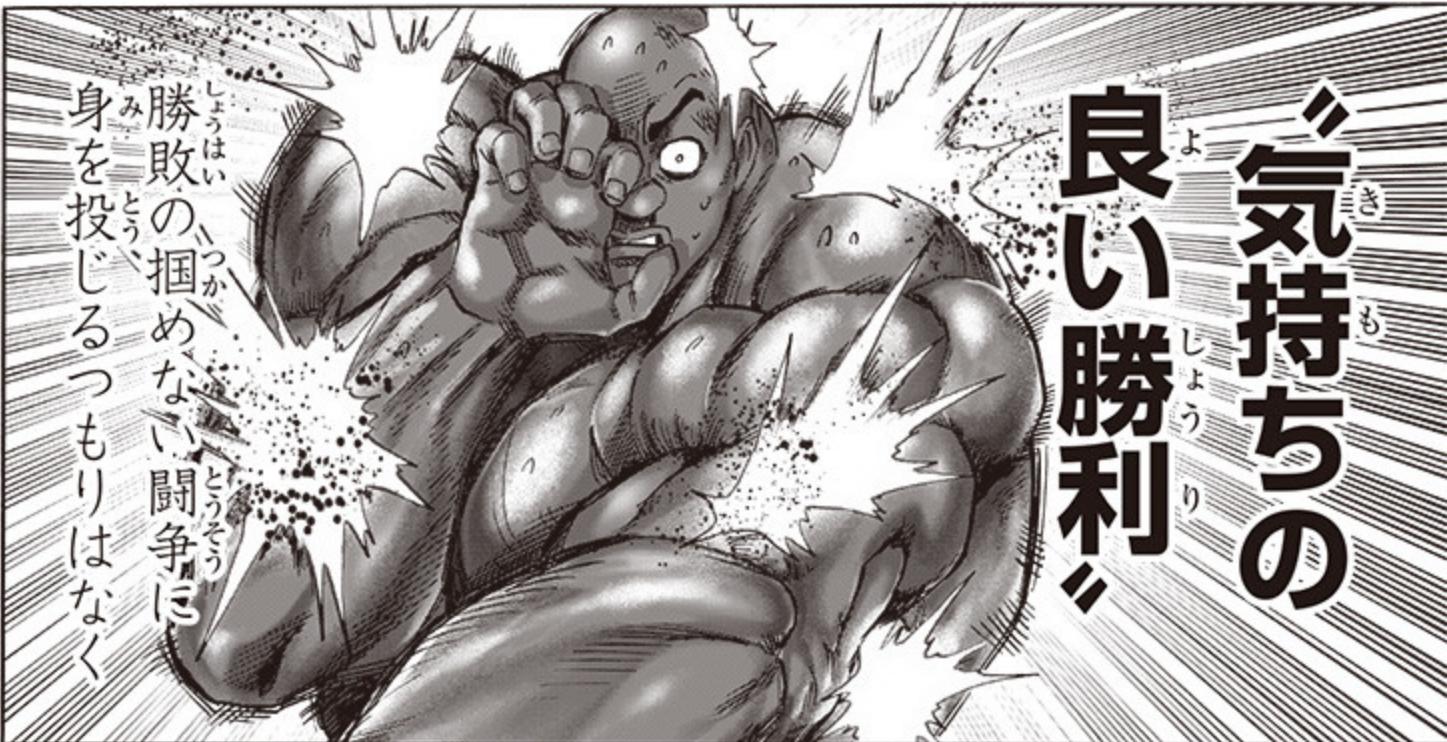

...not looking forward to a "fight", but..

A "GRATIFYING VICTORY"

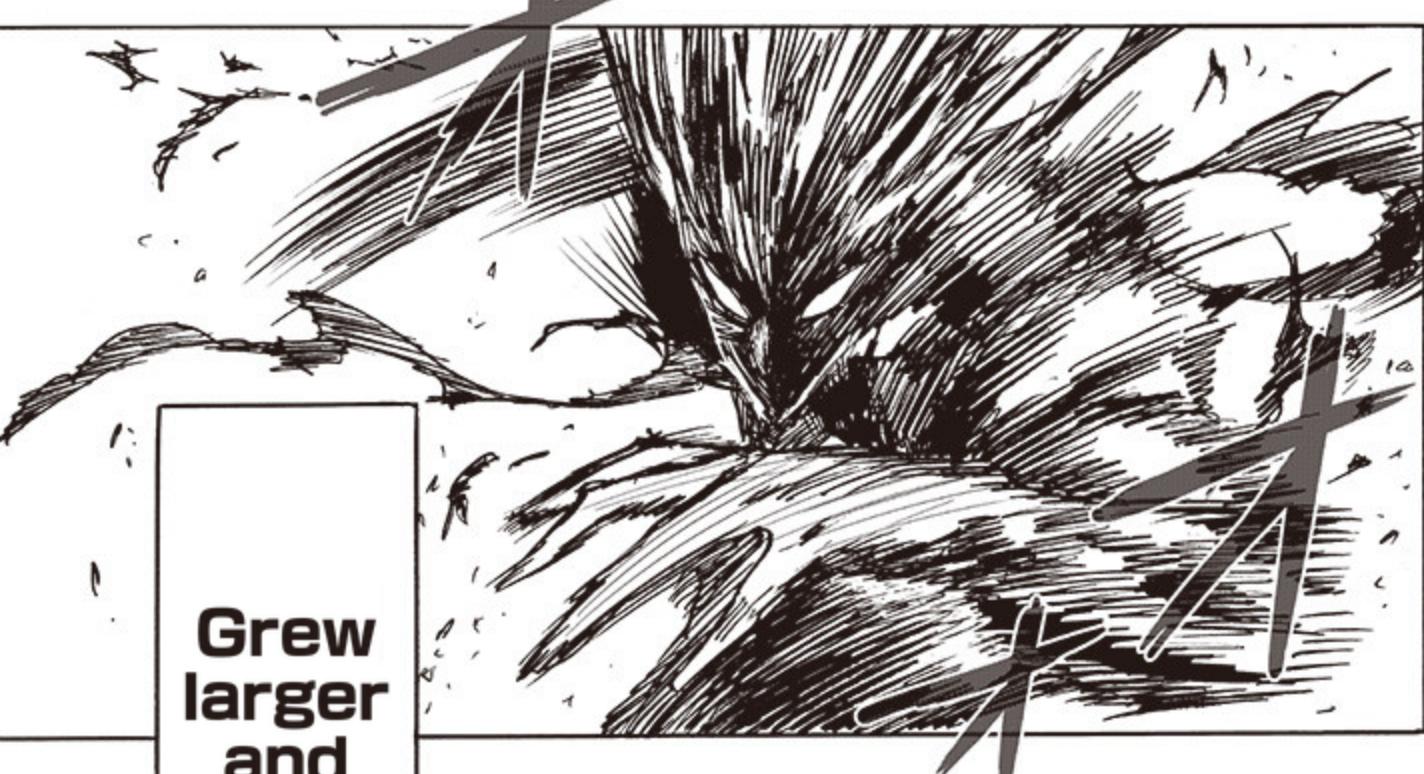

HE NEVER INTENDED TO BE THROWN INTO A FIGHT THE OUTCOME OF WHICH HE CANNOT CONTROL

THE INSTANT THE THOUGHT  
"I MIGHT NOT ESCAPE THIS FIGHT UNSCATHED"  
FLASHES THROUGH HIS BRAIN

The  
"fear"
