STORY by ONE & ART by YUSUKE MURATA

148 頁 [THE LINE]

My name is KATSUMA. I am a hero. My hobby is home activity. I believe strong people need. Therefore, I am very soft. Any person will punch down with one blow. Blows will also hurt. People were also here. I want the power of someone of a teacher. I would like to teach the students. I would like to become a martial arts master. And I would like to punch down with one blow. It is because it is a one punch man.
