My name is SAITAMA. I may be lame. My hobby is lawn mowing. I know nothing about my past. I am very weak. Any enemy will probably kill me before I can even scratch them. I have no super power. I have no special attack. I have no special move. I would like to meet the strongest opponent of mankind. I would like to meet the person who can beat me. I would like to make a worldwide enemy. And I would like to prove myself with one blow. It is because I am a very peaceful person.
