I bought a vacuum cleaner that moves around cleaning by itself. It's cute. Like a pet.

—ONE

Manga creator ONE began *One-Punch Man* as a webcomic, which quickly went viral, garnering over 10 million hits. In addition to *One-Punch Man*, ONE writes and draws the series *Mob Psycho 100* and *Makai no Ossan*.

One-Punch Man is becoming a TV anime! I'm thankful to everyone who made it happen and looking forward to seeing it completed. When I watch it, I'm sure to weep!

A single man arose to face the evil threatening humankind! His name was Saitama. He became a hero for fun!

With one punch, he has resolved every crisis so far, but no one believes he could be so extraordinarily strong.

Together with his pupil, Genos (Class S), Saitama has been active as a hero and risen from Class C to Class B.

One day, a seer predicts a great danger to Earth and dies. Immediately after, a group of interstellar bandits attacks Earth. Class-S heroes and Saitama defeat the attack, but City A is destroyed. Later, the Hero Association erects a fortress where the city once was, and a man named Garo, who admires monsters, shows up...

My name is Saitama. I am a hero. My hobby is heroic exploits. I got too strong. And that makes me sad. I can defeat any enemy with one blow. I lost my hair. And I lost all feeling. I want to feel the rush of battle. I would like to meet an incredibly strong enemy. And I would like to defeat it with one blow. That's because I am One-Punch Man.
