It really angers me to  
see this. This person  
is just probably  
literally grabbing Ena

A stylized illustration of two anime-style girls in bunny costumes. The girl on the left has blue skin, purple hair, and wears a blue and black outfit with a white bow. She is holding a small white device. The girl on the right has orange skin, brown hair, and wears a red and black outfit with a white bow. She is wearing large orange stockings and black shoes. They are both wearing bunny ears. A small red heart is positioned between them.
