

CH91[ROVER]

My name is HAZAMA. I am a hero. My hobby is torturing animals. I became a superhero because I wanted to be strong. I wanted to be the strongest. That was also my goal. Fighting was also fun. I wanted the experience of excitement of a battle. I would like to meet the strongest enemy. I would like to earn a matchless money. And I would like to push down with one hand. So I became a one punch man.

Explosive  
power  
fueled by  
a destroyed  
"heart".

A black and white manga-style illustration. On the left, a man with spiky hair and a determined expression is shouting. He has a mustache and is wearing a dark, textured jacket. He is holding a long, straight-bladed sword horizontally in front of him. The background is filled with dynamic, radiating hatching lines, suggesting intense movement or energy. On the right side of the image, the words "SIT DOWN!" are written in large, bold, black, sans-serif capital letters.

**SIT  
DOWN!**

DAMN IT...  
I GOTTA  
GET BACK  
UP THERE  
ASAP.
