

ONEPUNCH-MAN

STORY by ONE & ART by YUSUKE MURATA

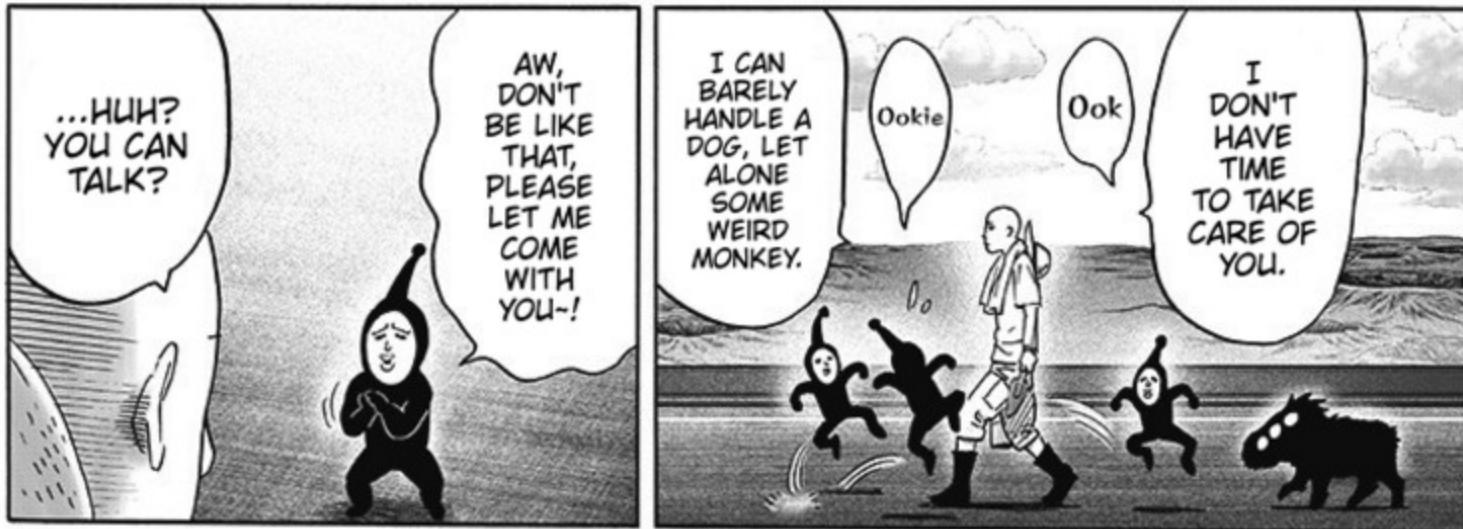

172: NEW HOME

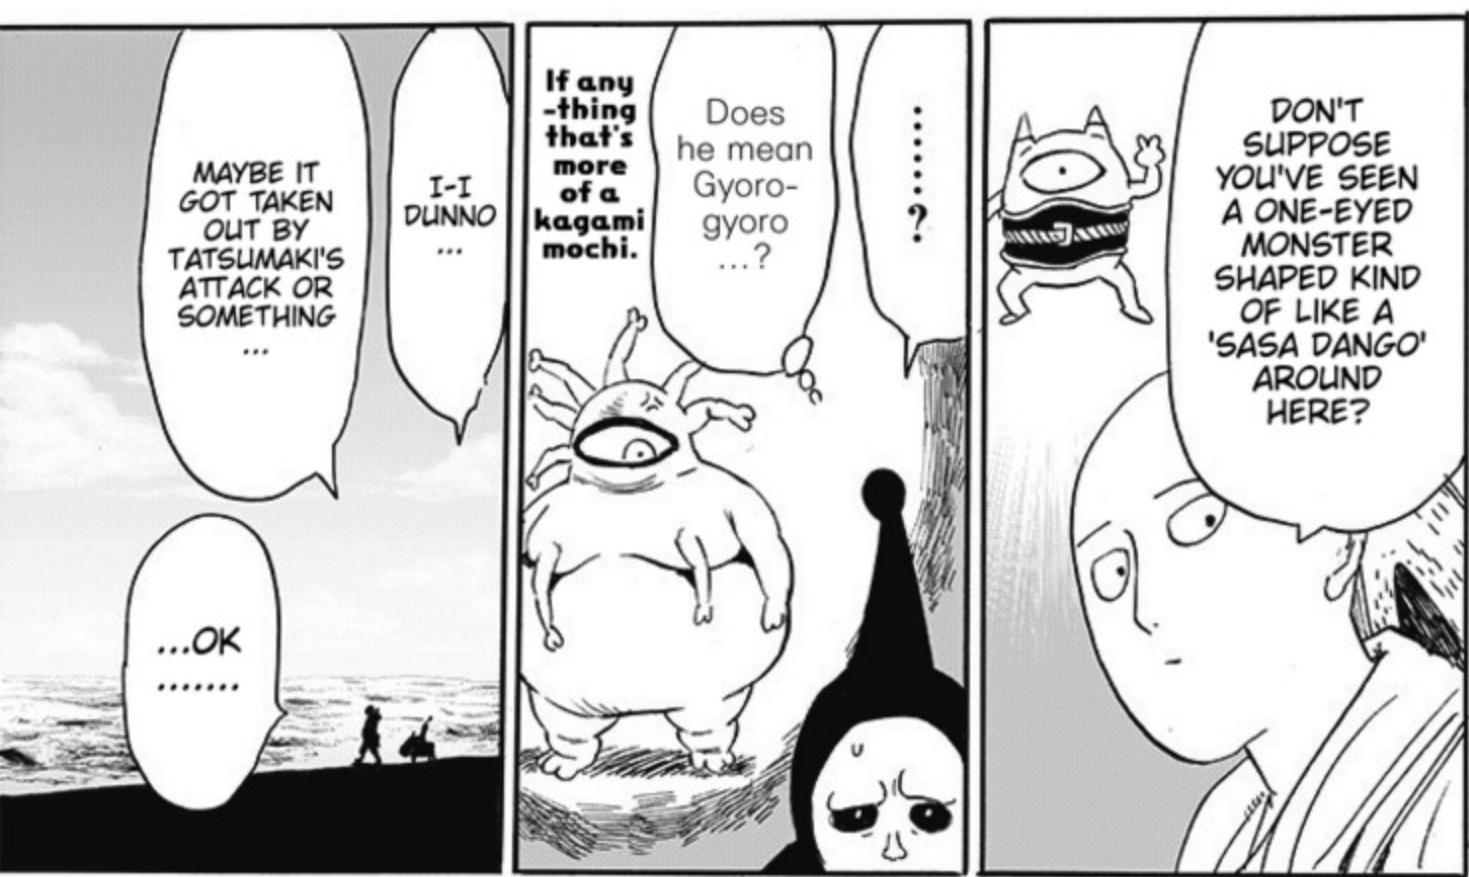

My name is SAITAMA. I am a hero. My hobby is hero activity. I become strong too much. Therefore, I am very well. Any enemies will push down with one blow. But... I am not a good person. I want to be a good person of a moment of a battle. I would like to meet the most enemy I would like to meet a matchless enemy. And I would like to push down with one blow. It is because I am a one punch-man.

Those residing here are all elites, with proven track records...

THEY MIGHT WORK BETTER THAN DOBERMANS.

As you may have already guessed, they too are residents here!

THESE

BUT YOU
KNOW...
EVEN IF
WE'RE
LIVING
WITH
HEROES
...

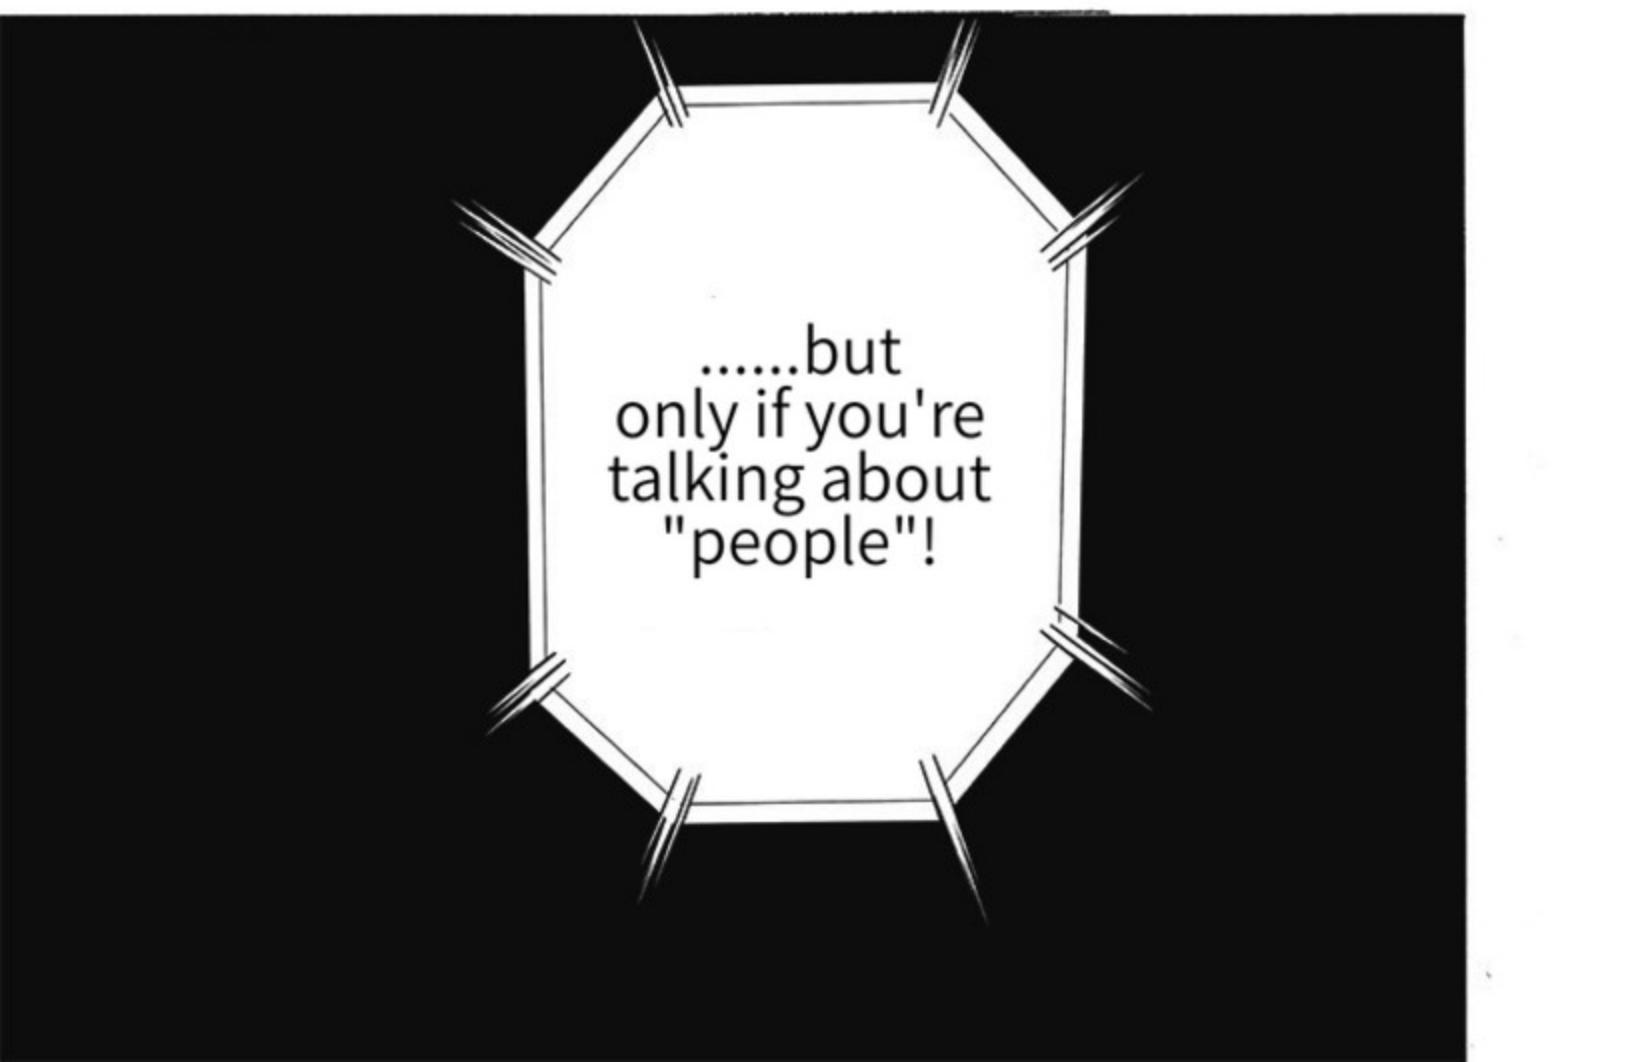

That
certainly
can't be
called
absolute
safety.

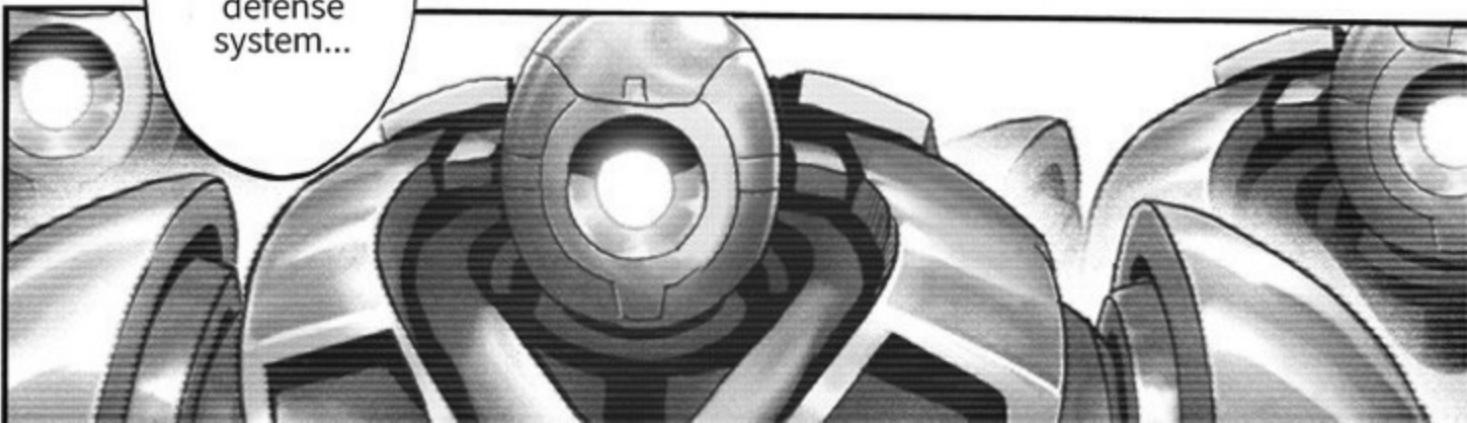

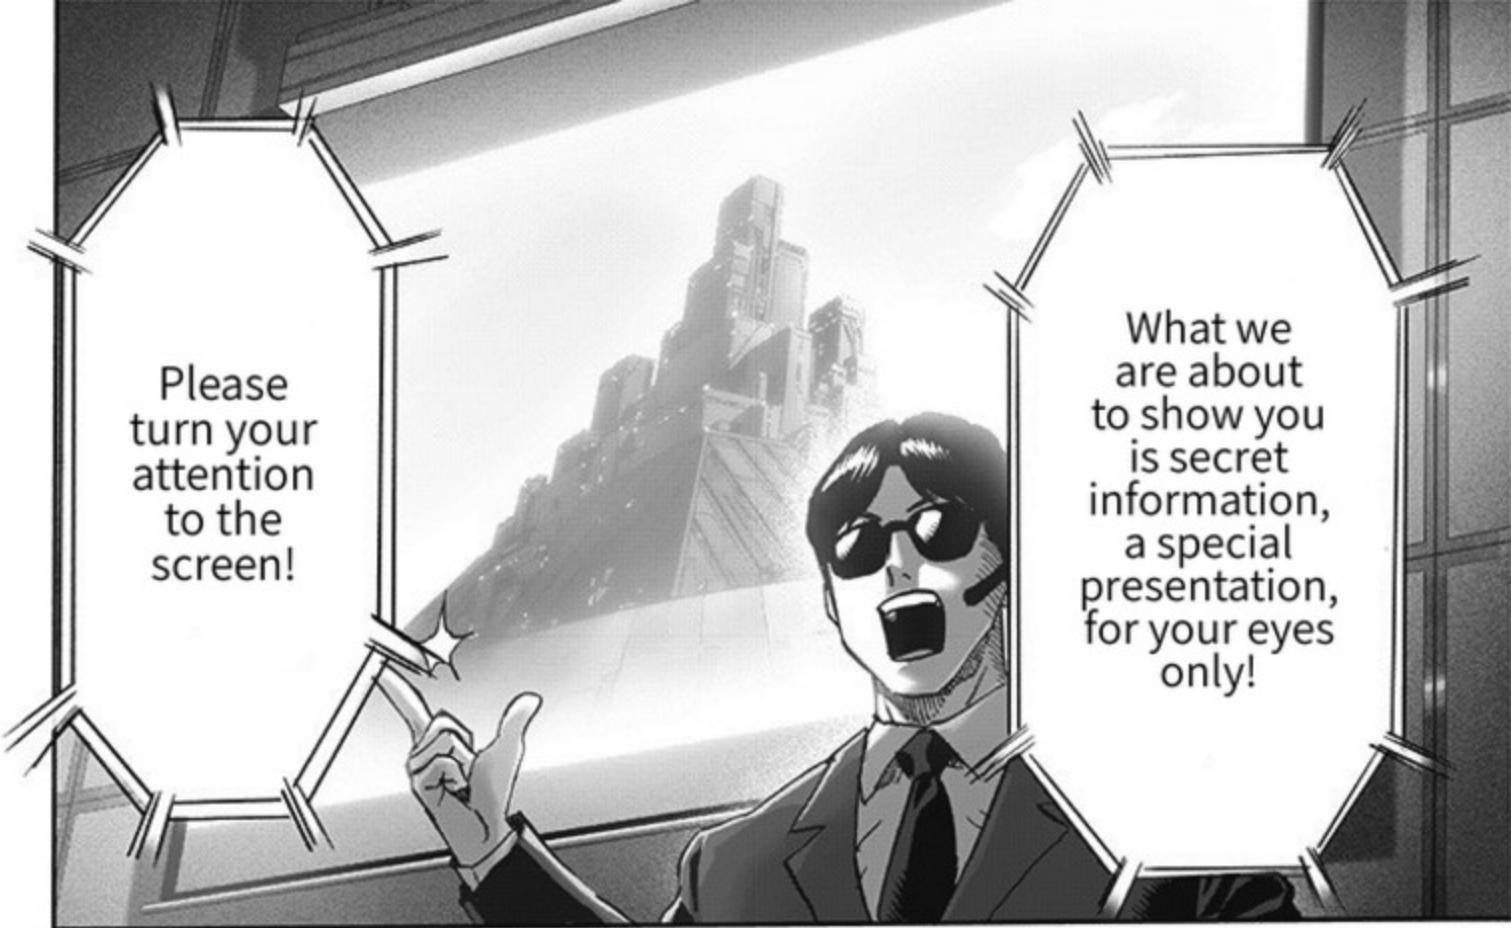

They
can wear
themselves
out or get into
accidents...

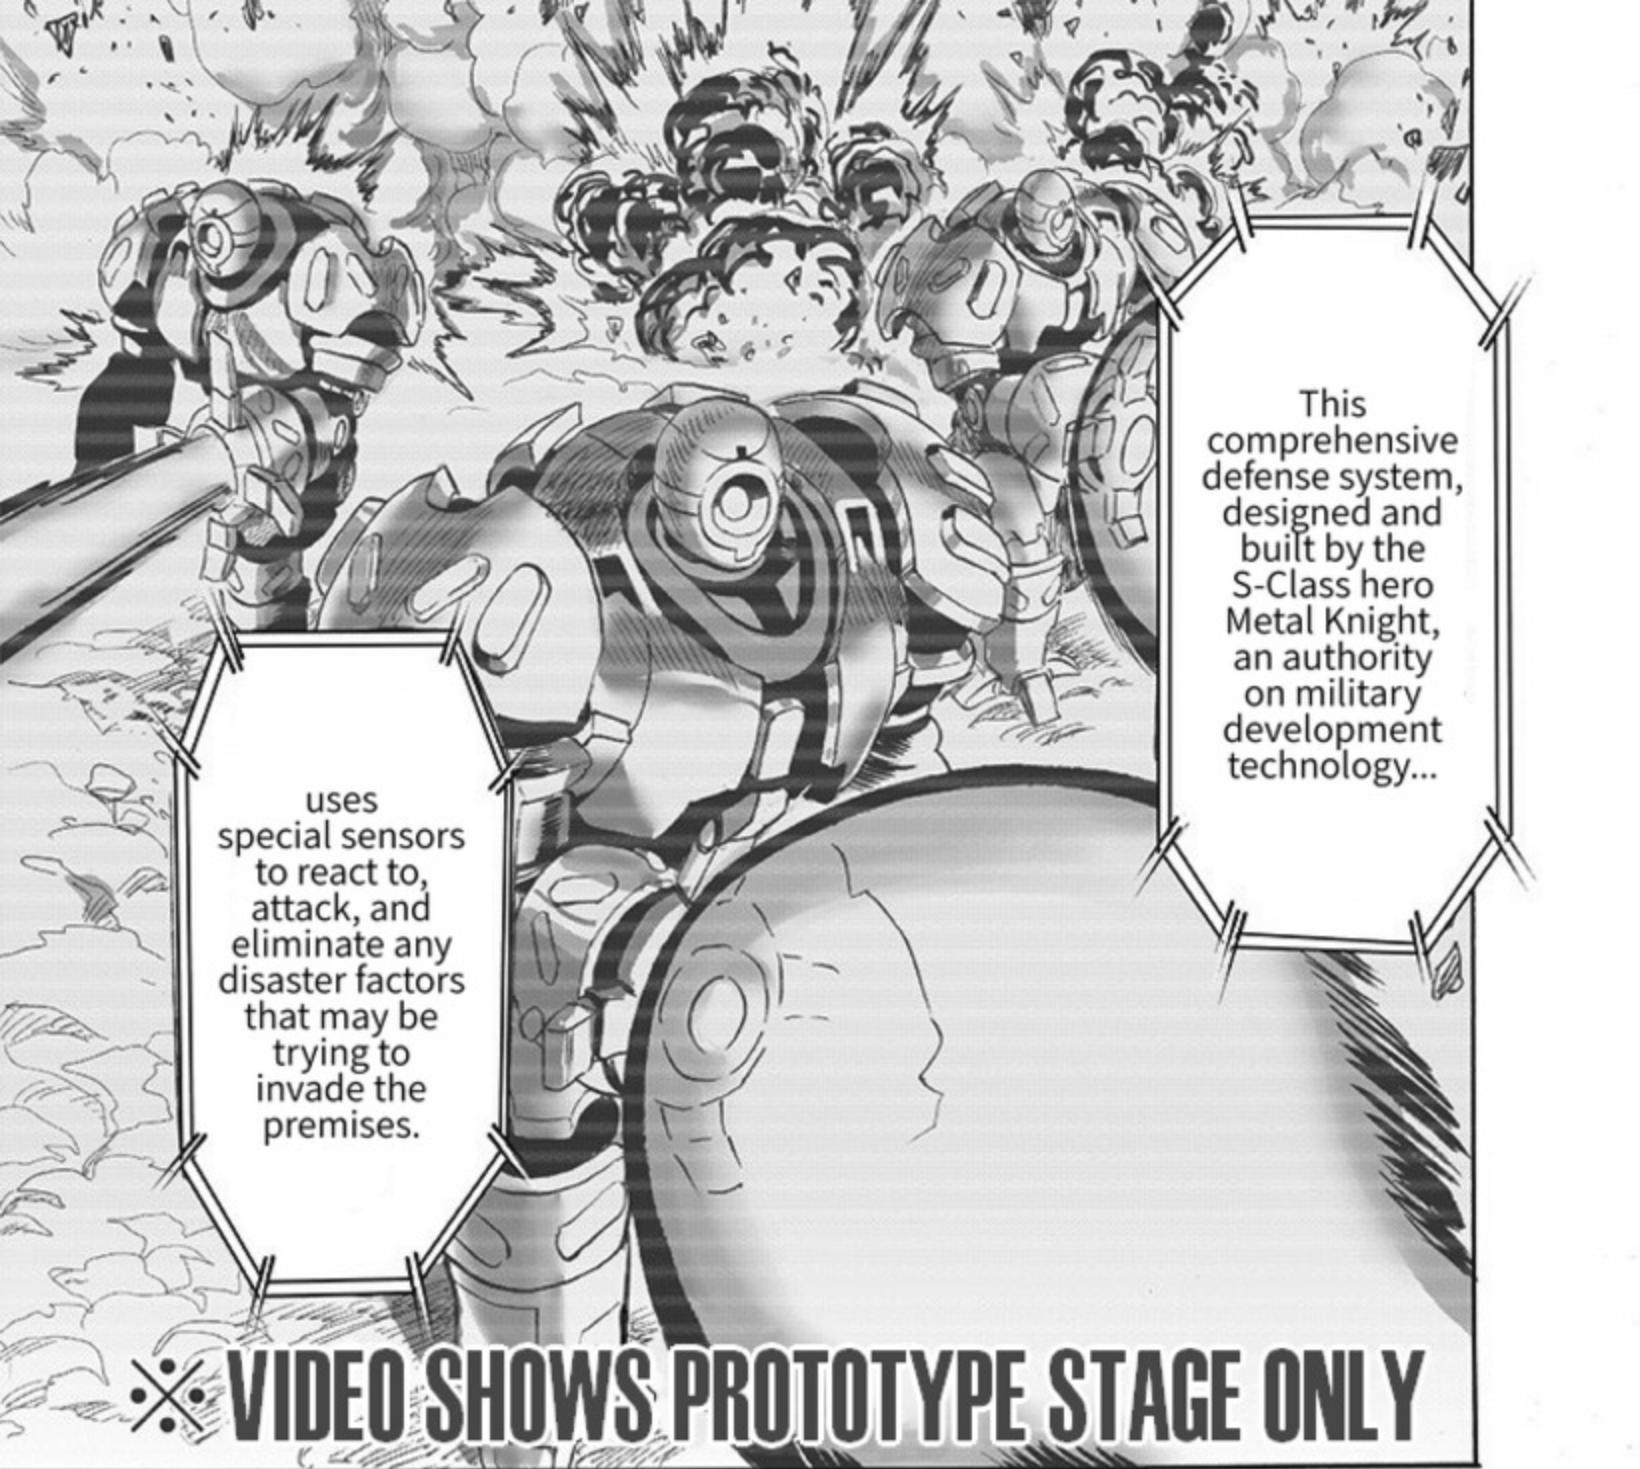

There's
no such
thing as
absolutes,
after all...

.....but
only if you're
talking about
"people"!
